## **SOLAR and POWER Industries' EVENTS**

### **JANUARY 2015**

19.01.15 – 22.01.15  
[Abu Dhabi - World Future Energy Summit](#)

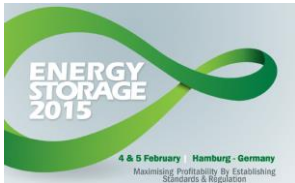

27.01.15 – 29.01.15  
[Leipzig – International Partnership Forum](#)

27.01.15 – 29.01.15  
[Leipzig – Flexible and Efficient Energy Systems](#)

**FEBRUARY 2015**

04.02.15 – 05.02.15  
[Hamburg Energy Storage 2015](#)

10.02.15 – 12.02.15  
[Ghana WACEE '14](#)

10.02.15 – 12.02.15  
[Essen E-World 2015](#)

- 22.01.15 - [Africa: South Africa achieves its first CSP plant fuelled 100% by the sun](#)
- 21.01.15 - [World: ACWA Power secures 550MW of solar power in MENA](#)
- 20.01.15 - [India: Hybrid: The new mantra for CSP revival in India](#)
- 19.01.15 - [World: Protecting steel structures in CSP plants: A different approach](#)
- 18.01.15 - [Germany: New SCI Research Program in Germany to Develop Energy Storage Systems and Infrastructure](#)
- 17.01.15 - [World: Key to driving down CSP tower costs](#)
- 16.01.15 - [World: New potential source of CSP finance](#)
- 15.01.15 - [World: Micro-grid power promise of hybrid CSP-PV concept](#)
- 14.01.15 - [Africa: Morocco Intends to Lead the World in CSP Production](#)
- 13.01.15 - [World: New IRENA Report](#)
- 12.01.15 - [World: Weltenergiehunger wächst um 37 Prozent bis 2040](#)
- 11.01.15 - [World: GE Integrates CSP with Combined Cycle in Saudi Arabia](#)
- 10.01.15 - [World: Dii leaves Europe and moves to Dubai](#)
- 09.01.15 - [World: US' Focused Sun and China's Xiang Yang Institute partner to develop micro-CSP systems](#)

4<sup>ème</sup> édition 25 > 27 Février 2015  
Au Parc des Expositions de l'Office des Congrès  
Rue de l'Industrie, Casablanca - Maroc

25.02.15 - 27.02.15  
[Casablanca - SOLAIRE EXPO MAROC](#)

25.02.15 - 27.02.15  
[Wels/Austria - World Sustainable Energy Days](#)

### **MARCH 2015**

09.03.15 - 11.03.15  
[Düsseldorf - IRES](#)

- 02.01.15 - [World: Research team in PCM storage breakthrough](#)
- 08.01.15 - [World: Morocco ranks #1 in CCPI developing countries index](#)
- 07.01.15 - [Africa: GDF SUEZ 100 MW Solar Project in South Africa Awarded Preferred Bidder](#)
- 06.01.15 - [World: Aalborg CSP to develop integrated CSP energy system for Sundrop Farms](#)
- 05.01.15 - [World: Rioglass introduces its next generation receiver tube and sets a new benchmark for thermal output efficiency](#)
- 04.01.15 - [World: Coming up: a new way of optimising your CSP plant](#)
- 03.01.15 - [Morocco: The Calm before the Storm: Noor II and III](#)
- 01.01.15 - **2015 - HAPPY NEW YEAR - 2015**
- 31.12.14 - [World: 2014: A year in review](#)
- 30.12.14 - [World: Solar Collectors Market Size, Share, Growth and Analysis Report 2014](#)
- 29.12.14 - [Africa: Sub-Saharan Africa - A CSP Market to Watch](#)
- 28.12.14 - [World: How a Concentrated Solar Thermal Power Tower work](#)
- 27.12.14 - [World: Is It Possible to Make Hydrogen Directly from the Sun?](#)
- 26.12.14 - [World: Analysis of the Concentrated Solar Thermal Power Market](#)

**APRIL 2015**

08.04.15 – 10.04.15

[Santiago – International Fair of Technologies](#)

13.04.15 - 15.04.15

[Aix-les-Bains – CPV-11](#)

13.04.15 - 17.04.15

[Hannover - Energy](#)

25.12.14 - [World: Abengoa to Generate Electricity in Chile from Both Solar Thermal and Solar PV](#)

24.12.14 - [Chile: Abengoa secures PPA for its CSP and PV plants](#)

23.12.14 - [Africa: What are the solutions to IPP grid connection challenges in South Africa?](#)

22.12.14 - [World: Abengoa's Solar Thermal Combined Cycle Plant Wins Award](#)

21.12.14 - [USA: California funds two research projects to improve CSP plants performance and thermal storage performance](#)

20.12.14 - [World: Schott sues Huiyin and SkyFuel over patent infringements regarding its CSP tube receivers](#)

19.12.14 - [Africa: Ain Beni Mathar ISCC plant receives prize from African Development Bank](#)

18.12.14 - [Africa: DOE confirms players for Window 3.5](#)

17.12.14 - [USA: An inside look at the development of the Mojave CSP project](#)

16.12.14 - [World: a new way of optimising your CSP plant](#)

15.12.14 - [Africa: South Africa's First Concentrating Solar Thermal Cooling System](#)

14.12.14 - [World: Australians break through the 40% efficiency mark](#)

13.12.14 - [India: Hybrid CSP-Biomass project to be built in India](#)

4th Annual Concentrated Solar Thermal Power Conference & Exhibition  
**CSP Today South Africa 2015**  
April | Cape Town

14.04.15 - 15.04.15  
[Cape Town – CSP South Africa 2015](#)

### **MAY 2015**

**NEW ENERGY  
INVESTOR  
SUMMIT**

04.05.15 – 05.05.15  
[Zurich - 5. New Energy Investor Summit](#)

06.05.15 - 08.05.15  
[Istanbul - ICCI](#)

13.05.15 - 14.05.15  
[Dubai – MENASOL 2015](#)

12.12.14 - [Africa: The South African Power crisis: Expert discussion on the role of CSP with storage as a potential solution](#)

11.12.14 - [World: How are Falling Oil Prices Affecting the CSP Industry?](#)

10.12.14 - [World: The limited options for molten salt storage cost reduction](#)

09.12.14 - [USA: What Does 2015 Hold for Solar Energy in Georgia and the USA?](#)

08.12.14 - [World: Crescent Dunes Solar Thermal Power Plant With Energy Storage Awarded Best Project By ENR Southwest](#)

07.12.14 - [World: CSP to benefit as the worlds appetite for storage increases](#)

06.12.14 - [World: CSP projects, the costs of lagging behind schedule](#)

- 22.11.14 - [Europe: Online Database on Large-Scale Solar Heating Plants](#)
- 21.11.14 - [China: Concentrated Solar Thermal Technology at Work in Inner Mongolia, China](#)
- 20.11.14 - [China: Huge CSP opportunity in China's new market](#)
- 19.11.14 - [World: Why CSP's thermal storage is safe from competition](#)
- 18.11.14 - [USA: Ivanpah developers confident of meeting long-term target](#)
- 17.11.14 - [World: Can the Solar Hourglass serve as a CSP landmark?](#)

**October 2015**

06.10.15 - 07.10.15  
[London - Ecosummit](#)

**MITHRAS on the SolarPACES 2012 in Marrakech/Morocco**

MITHRAS was represented from 11. to 14.09.2012 on the SolarPACES 2012, the world most important CSP event for scientists and innovative companies.

**MITHRAS on the World Future Energy Summit in Abu Dhabi from 17. till 20.01.2011**

- 16.11.14 - [World: A New Concentrated Solar Thermal Concept from Switzerland](#)
- 15.11.14 - [China: New Johnson Controls Technology Turns Waste Heat Into Clean Fuel for China Homes and Businesses](#)
- 14.11.14 - [Brazil: Solar Energy Makes Landfall in Brazil at Record Setting Low Price](#)
